About Gym-N-Learn

Gym-N-Learn is a motor skill based educational preschool for children ages 3 – 5. This is a one of a kind learning experience that gets children EXCITED about school! We are passionate child development experts dedicated to creating positive early experiences. We know kids LOVE TO MOVE and be actively involved in their learning. Through movement, they discover their physical place in their environment and discover things about themselves. Win Kids provides the best possible environment by combining TWO SEPARATE WORLDS of child development: basic literacy skills and an academic curriculum with one of the best gymnastics, sports, and motor skill programs anywhere.

We involve the whole child by incorporating activities from all key areas of development including social, personal, emotional, language and early literacy, health and safety, math, science, social studies, and physical development.

Every day at school they will get to experience a gymnastics and motor skill based class or a supervised gym exploration time that builds their physical confidence and prepares them to become happy and eager little learners. Children learn by doing! Our goal is to provide growth and development ON THE INSIDE through academic experiences and ON THE OUTSIDE through positive motor skill experiences.

Basketball team captain and resident jock, Troy, discovers that the brainy Gabriella, a girl he met singing karaoke on his ski trip, has just enrolled at East High. They cause an upheaval when they decide to audition for the high school musical that is being led by Ms. Darbus. Although many students resent the threat posed to the "status quo," Troy and Gabriella's alliance might just open the door for others to shine as well.

November 12th-15th
Lewisville High School Auditorium
1098 W Main St, Lewisville, TX 75067
https://www.lewisvilletheatre.com/
Tickets: $15-$20

This musical, is based on the movie classic that runs round-the-clock on television every Christmas. Set in the 1940s in the fictional town of Hohman, Indiana, the musical follows 9-year-old Ralphie Parker and his quest for the Holy Grail of Christmas gifts—an Official Red Ryder carbine-action 200-shot Range Model air rifle.

Rebuffed at every turn with a similar echoing response, Ralphie plots numerous schemes to achieve his desperate desire for the coveted BB gun.

All the iconic scenes from the movie are here: Ralphie's friend, Flick, getting his tongue stuck to the flagpole; his brother, Randy, getting dressed in his snowsuit; the bullies, Farkus and Dill; the leg lamp award; the bunny suit, and many others.

The Musical will bring an exciting new dimension to those who have seen the movie and will certainly stand on its own for those who haven't.
